Search Tips

- Start with simple keywords and use the result filters to narrow down by State, Council, Local, Employer Type, or Sector
- Use the advanced search buttons:

The screenshot shows an 'Advanced Search' form. At the top, there are 'Collections' filters: 'Select All Collections' (unchecked), 'Current Contracts' (checked), and 'Contracts Archive' (unchecked). Below these are 'Cancel' and 'Save' buttons. The main search area is divided into sections. The 'Enter Search Term:' section has a dropdown menu set to 'All fields' and a text input containing 'telework'. To the right of this input is another dropdown menu set to 'All of the words'. Below this, there is a second search row with a dropdown menu set to 'or' (highlighted with a red box and a red arrow pointing to it), a text input containing 'remote work', and another dropdown menu set to 'Exact phrase' (also highlighted with a red box and a red arrow pointing to it). Below the search area is an 'Enter Date:' section with a dropdown menu set to 'on' and a date input field. At the bottom right, there are 'Clear' and 'Search' buttons.
